An affordable solution for your operating department

Our range of Basics headwear are all made from a soft, breathable spunbond polypropylene fabric which offers a great combination of both comfort and affordability. Our Basics range has been designed to meet the basic needs of your operating department while offering great value for your money.

This single use basics bouffant cap offers a light and spacious design with a round shape allowing full coverage of the wearer's hair. This cap has elastic around the entire circumference which ensures it sits comfortably and securely on the wearer's head. It is suitable for use by person's with both long and short hair.
